MASHRIQ

ALMUQADDIMAH COMPANY FOR CONTRACTING

**Supplier for
MEP &
Safety Products**

ABOUT US

We Supply MEP products in Kingdom of Saudi Arabia. We are a trusted trading company specializing in MEP & safety materials.

Our mission: deliver high-quality products that meet international standards while ensuring reliability and efficiency. With comprehensive mechanical, electrical, plumbing, fire-fighting, and safety solutions, we partner with reputable manufacturers to provide consistent quality and timely delivery.

VISION

To lead the Saudi construction sector toward a sustainable future by providing energy-efficient MEP systems and advanced safety technologies that protect our nation's workforce and preserve its environment for generations to come.

OUR COMMITMENT

Our priority is the protection of the Kingdom's greatest asset: its people. We commit to supplying advanced safety gear that ensures a zero-harm environment on every site. Simultaneously, we pledge to provide energy-efficient MEP solutions that support the Saudi Green Initiative, reducing the environmental impact of urban development while maximizing long-term operational efficiency.

WHY CHOOSE MASHRIQ ?

Choosing Mashriq means partnering with a supplier that understands the high-stakes environment of Saudi Arabia's construction and industrial sectors. By combining technical mastery with local regulatory expertise, Mashriq ensures your projects are built for longevity and safety.
